Others in attendance: Administrative Services Director Donna Davis, Public Works and Community Development Director Les Mangus, Management Assistant Sasha Stiles, Mike Thompson, City Consulting Engineer, City Clerk / Administrator Jeff Bridges were also in attendance.

The meeting was called to order at 7:00 p.m. by Council President Geisler.	Call to Order
--	---------------

The first item discussed was the Broadview / Prosperity Lane Storm Water improvement project. Mike Thompson of POE and Associates presented the project. Some of the improvements would include a storm sewer system, additional cross road culverts, and the paving of streets with storm sewers. The total project costs are approximately \$3,900,000. Staff will bring back recommendations on phasing and time frames.	Broadview / Prosperity Storm Drainage study

The next topic, presented by Mike Thompson, was an update on the widening of Andover Road from Cloud Avenue to Harry Street. This is an MPO project scheduled for letting in 2008. This will be a five lane concrete project with a 10 foot sidewalk.	South Andover Road Widening Project.
---	--------------------------------------

The Council then discussed the proposal put forth by Wichita to do a preliminary design study on US 54 from K96 to Onewood Drive. Staff would like to extend that study to Prairie Creek Drive. The consensus of the Council was that this was an important project and that we should participate. Staff will talk to KDOT Corridor Management to see if this was eligible for Corridor Management funding.	US 54 Study
--	-------------

The City's 50th Anniversary was the final discussion topic.	50th Anniversary of the City of Andover.
---	--

A motion was made by Clark Nelson, seconded by Carol Roberts to adjourn the meeting. Motion carried 6/0.	Meeting Adjourned
