Call to Order

Donna Davis explained the reasons for the amendment and that they are mainly due to projects being budgeted in the 2008 budget and performed in 2009.

Amended Budget

Sasha Stiles stated staff wanted the opportunity to answer questions for the Council prior to the hearing on December 8, 2009.

Council Member Nelson stated the current posture of the Solid Waste & Recycling Committee was to recommend a preferred hauler arrangement, allowing the homeowner to hire their own hauler, and mandatory curbside recycling thru the preferred hauler with the cost added to their wastewater bill.

Solid Waste & Recycling

Council Member Nelson stated there are still issues to work out for grass clippings, unusually large items, yard and garden waste and he believes City staff is addressing this.

Sasha Stiles stated if the Council desires to move forward a formal recommendation would be presented at a Council meeting, an ordinance creating the recycling utility, and approve a contract for service.

A motion was made by Council Member Geisler, seconded by Council Member Jessen, at 8:20 p.m. to adjourn. Motion carried 6/0.
