

Andover Spring - Fishing Clinic

May 20nd, 2023 9:00 am till noon

Event: Andover Fishing Clinic – Representatives from Andover Parks and Recreation along with volunteers from Andover, will conduct a fishing clinic targeted toward individuals and families. The clinic allows all to participate without purchasing a fishing license however, all fish caught by participants must be returned. Participants are welcome to use their own equipment but poles, tackle and bait will be provided. As part of the clinic we will cover knot tying and casting techniques using a closed faced spinning reel.

When: Saturday, May 20th, 2023, from 9:00 am to Noon. Who: All ages

Where: Lake George – in Andover Central Park. Participants should meet on east side of the lake at the Fishing Clinic to sign in and complete registration. A volunteer will meet with you to ensure consent forms are complete and provide some orientation, instruction and provide equipment if needed.

Cost & Equipment: The clinic is free and all equipment and bait will be furnished! No fishing license is required from 9:00 till Noon the day of the event.

For more information call the City of Andover at 733-1303

REGISTRATION FORM

Return this form to City of Andover, 1609 E. Central Ave., Andover, KS 67002, email kcork@andoverks.com

We plan to have equipment for up to 40 participants. Equipment availability will be based on first come first served. If space is available participants may register at the clinic (no license is required during the time of the clinic). Please Note: Parent or Guardian is required to remain with the youth during session.
